**Sec. 2.** After receipt of an application, the office may enter into an agreement with the applicant for a state gross retail tax rebate under this chapter if the office determines that all the following conditions exist:

(1) The applicant's tourism attraction project will create new jobs that were not jobs previously performed by employees of the applicant in Indiana.

(2) The applicant's tourism attraction project is economically sound and will benefit the citizens of Indiana by increasing opportunities for employment in Indiana and strengthening the economy of Indiana.

(3) Receiving the state gross retail tax rebate is a major factor in the applicant's decision to go forward with the tourism attraction project, and not receiving the state gross retail tax rebate will result in the applicant not creating new jobs in Indiana.

(4) Awarding the state gross retail tax rebate will result in an overall positive fiscal impact to the state, as certified by the office of management and budget using the best available data.

(5) The office determines that the applicant's total qualified project costs will exceed five million dollars (\$5,000,000).

(6) At least twenty-five percent (25%) of the visitors to the applicant's tourism attraction will be residents of other states.

(7) The state gross retail tax rebate is not prohibited by section 3 of this chapter.

(b) If the department receives a claim for a rebate under this section, the department shall consider the claim and may hold a hearing on the claim to obtain and consider additional evidence. After considering the claim and all evidence relevant to the claim, the department shall issue a decision on the claim, stating the part, if any, of the rebate allowed and containing a statement of the reasons for any part of the rebate that is denied. The department shall mail a copy of the decision to the person who filed the claim. If the department allows the full amount of the rebate claim, a warrant for the payment of the claim is sufficient notice of the decision.
